

Life member, Judy Wright, recently passed away in Vero Beach, FL. While Judy missed her friends in the Portsmouth area, she loved her new home in Florida.

Judy and her husband PC Ed Wright, who predeceased her, became members in 1990.

Judy made numerous contributions to PYC, serving on the Ladies Committee, Social committee and volunteering at many club events. She was always willing to help new members navigate the rules of the club with a smile.

She and Ed loved going on the Club cruises on their boat Wright A-weight. We remember one year when the cruise was “fogged out”, Judy decorated the club to look like it was in fog and had a big party for all.

Judy and Ed rarely missed a Saturday night on the deck, or any PYC function.

Judy was also a past commodore of KPYC and was a valued volunteer at Portsmouth Hospital.

Judy’s many friends express their sorrow at her passing.
