Dear Board Members,

I would like to apologize for any rules infractions I may have committed regarding my son's use of my boat and the Club's parking lot.

To explain briefly, my son, Eric, was injured in a bad ski accident this past winter. He recently underwent knee surgery and has come home to rehab his knee. Eric has not been home in the summer for five or six years and his arrival this summer was unexpected.

Without checking the Club's rules, I mistakenly assumed it would be fine for Eric to take out my boat. Because he was going out to the Isles of Shoals overnight and I was not sure if overnight parking was allowed on the street, I told him to park in the Club parking lot. It was my mistake that his car was in the lot.

While he recovers from knee surgery, Eric has not been able to do much other than physical therapy and go out on the boat. His future plans after this summer are uncertain. If he remains in the area, he will certainly apply for membership to Portsmouth Yacht Club.

I am hoping the the board will consider allowing Eric to use my boat this season provided that he not use the Clubhouse or the parking lot. I would be happy to pay any fees that would be appropriate. Thank you for your consideration.

Sincerely yours,

Robert E. Eberhart
