Dear Ms. St. Germain,

As Commodore, I have received a number of member complaints that you are ignoring the mask rule when you are at PYC. Staff also confirmed they have asked you to kindly wear a mask and you have not complied with those requests. Member complaints include feeling unsafe, with plans to discontinue use of the Club, if you continue to disregard the fundamental rule to wear a mask.

Unfortunately, the number of complaints received constitutes a pattern of behavior that may require consideration of the Board of Directors as a disciplinary matter under ARTICLE III. Section 1-6.

If you are observed again at PYC without a mask, the BOD will entertain disciplinary action at the next monthly meeting on Thursday, September 10, 2020 at 6:30 PM. Please consider this a written ten day notice of complaints regarding your non-compliance with the rules in place to protect everyone's health. You are entitled to appear before the BOD if this matter requires Board consideration.

Please be considerate of others and wear a mask!

Sincerely yours,

Patricia Dowey
Commodore
