

CLOSING EVENTS SURVEY 2021 (copy 1)

All Responses

Question 1 has 123 answers (Radio Buttons)

“Will you attend the Portsmouth Yacht Club Annual Meeting on Thursday, October 14, 2021, at Portsmouth Yacht Club”

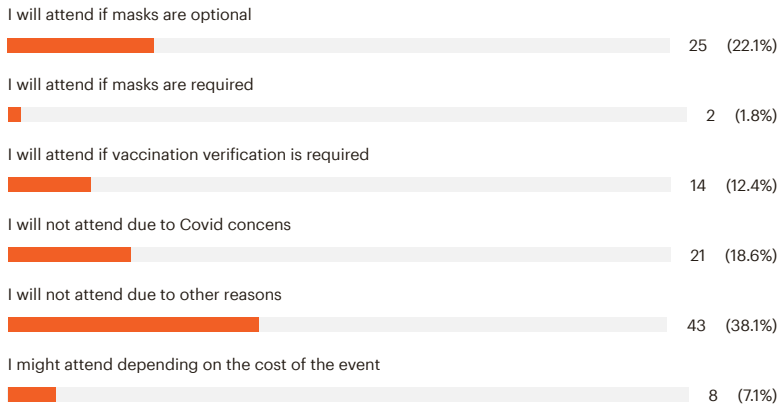

Question 2 has 121 answers (Radio Buttons)

“Will you attend the Portsmouth Yacht Club Closing Night Cocktail Party on Saturday, October 15, 2021, at the Portsmouth Yacht Club?”

Question 3 has 113 answers (Radio Buttons)

“Will you attend the Portsmouth Yacht Club Holiday Gala on Saturday, December 11, 2021, at Wentworth by the Sea Country Club”

Question 4 has 44 answers (Open Text)

“Please share your thoughts.”

"Sorry Whit, we will be gone."

"I might attend. Would prefer all to provide vaccination verification."

"Although I would LOVE to be attending events at the club--Everything has food/drink in a small setting. Masks will not work for this type of activity. I also do not eat inside restaurants for this reason."

"We will be in Colorado"

"Covid is still a concern in NH. One of us will go to the annual meeting. "

"I am vaccinated and will get a booster, I hope that other member are doing the same. "

"PYC did a great job this summer. Covid concerns are increasing and I choose not to be indoors at a dinner or dance at this time and do not find wearing a mask comfortable enough for the Gala and am out of town for the others. "

"Make masks optional unless the State or Town requires them."

"I suggest that having the meeting via Zoom as an option for those of us that are not comfortable being in a room with a lot of people. Even with masks as there appears to be a large group who still do not believe in being vaccinated, unfortunately. "

"Attending the events that include eating/drinking would warrant that vaccination is required. Esp given the new delta variant and the susceptibility of those present. There is always a risk but this would minimize it to the greatest extent."

"Unfortunately, we are not in town during the events above. Otherwise, I'd have no problem with attending any of the events under any of the circumstances. Let's get back to living a full life."

"We feel it would be better to have annual meeting at Wentworth Country Club. No social distancing possible at PYC"

"Hi and thanks. On this survey, it would be good to allow multiple choices. I intend to attend the annual meeting and will, including if masks or a vaccination card are required. For the meeting, I prefer requiring a mask. Cocktail party, I like the vaccination card idea, however would still attend, without, and with masks optional. Jim"

"Guess I'm not ready to be in a con ined area with a lot of people with the rising Covid infections. "

"I am concerned that too many of the members are unvaccinated and feel little need to change their vaccination status. COVID is dangerous to those of us over 60. "

"If vaccine verification is not used at cocktail party, at least distancing....but that is hard to control Staff should be vaxed also. Out of town in December. Thank you...it's been fun to participate in events this year!"

"If the Covid numbers start going down drastically, all this may change for us. But right now, we are limiting our public exposure. So frustrating and infuriating ."

"As Covid cases increase in the Portsmouth/New Castle area I believe more caution should be taken at the Annual Meeting. All attendees wear masks when not speaking and seating should be spaced at least 3 feet apart. You do not know if members have been vaccinated. Many members are not attending events at this time for concern with Covid cases increasing. "

"Also, attendance at parties is predicated on my husband's health. I will be at,the annual mtg."

"The Delta variant is very contagious and can be easily transmitted. I would not like to be sited next to someone that is not vaccinated or have any contact whatsoever."

"haven't decided yet about the 2 events. Not covid related. We have no concerns about covid or mask wearing. "

"We would like to attend the Holiday Gala at the Wentworth Country Club, but it is dependent on what the COVID conditions are in December. It is not an event I want to wear a mask at. It is a special evening with cocktail dress; not donned with masks for everyone's safety. "

"Being vaccinated we are comfortable attending any event it being hoped that those unvaccinated will either not attend or will wear a mask. "

"Would attend annual meeting if masks are and COVID vaccine verification card are required. Unfortunately PYC is too small for adequate social distancing of large attendance. "

"Sorry, Julie and I will be out of town for a wedding October 14-17. Also, have a prior commitment on Dec. 11"

"Your survey is thoughtful and respectful. I will attend if I can find someone from here coming. I no longer drive at night. Lolly"

"on the first question I could not decide between mask required and vaccine verification. "

"Dec. COVID issues may dictate re-direction"

"the unvaccinated are causing a delay in "herd immunity" and at our age, we can not afford the risk of socializing with them. "

"It's too far out to plan for December 11 as a lot can happen regarding Covid Delta in just a month or two."

"Cant answer about Holiday Party. Really depends on what is happening with Covid spread. Same thoughts about closing night."

"We will do what is best for the club membership "

"In regards to the Annual Meeting. I will stand no what what the requirements are."

"Need to stay away from large groups in October. Need to take Rapid test in 10/17 in order to board cruise ship 10/20"

"Hope we will be maskless!"

"I will attend all three events regardless of the rules set in place for them. I would prefer to not have to wear a mask! But if those r the rules , I will respect them!!!"

"PYC closing event should be a dinner dance (like the old days) NOT a cocktail party."

"I think it is time to pull back and not take chances with our health."

"Peter Donahue and I will attend the meeting and fall events whether or not masks are required, and we are happy to provide our vaccination certificates if asked. Best regards, Beth Fraser"

"I might attend the cocktail party and/or the gala but cannot commit right now. I would only commit if vaccinations are required. Thanks for asking these questions."

"This is taking a positive step towards insuring members safety, as well as young children or grandchildren of members who cannot be vaccinated. I would not want to be sitting at an event next to someone who was not vaccinated."

"Annual meeting with or without masks is fine. Other social functions will probably only attend if masks optional is possible."

"Cannot answer - attendance is dependent upon work schedules"

"You might have included an option for "I will attend regardless" and I would have selected that."
