

Communication Secretary Report

June 9, 2022

The July Newsletter is close to being ready to go out to the membership. Sign-up sheets for July events will be in the book at the club next week, and information on the club calendar will be updated. Soni's injury has obviously slowed down the flow of event information, but I've contacted all the July events hosts, and we should have all the information soon.

If you have any information that you would like included in the July Newsletter or on the website please send it to me as soon as possible.

The deadline for the August newsletter deadline is the July 14th BOD meeting.
